https://github.com/angular/protractor/issues/669

```
  //-----------Chrome specific settings ----------------

  directConnect: true,
  capabilities: {
    browserName: 'chrome',
    chromeOptions: {
      args: ['disable-infobars', '--window-size=1920,1200']
    },
    deviceProperties: {
      browser: {
        name: 'chrome',
        version: 'latest'
      },
      device: 'local development machine',
      platform: {
        name: 'osx',
        version: '10.13.6'
      }
    }
  },

  //------------------IE specific settings--------------

  // directConnect: false,
  // capabilities: {
  //    'browserName': 'internet explorer',
  //    'platform': 'ANY',
  //    'version': '11'
  // },
  // localSeleniumStandaloneOpts: {
  //    jvmArgs: ["-Dwebdriver.ie.driver=node_modules/protractor/node_modules/webdriver-
  manager/selenium/IEDriverServer3.4.0.exe"]
  // },
```
